

# HUNTER RANDOLPH DALTON

MARCH 9, 1993 - DECEMBER 4, 2016

Hunter was a charismatic, fun loving young man with a heart of gold who had a gift for making every person he met feel like they were the most important person in the world. He loved golf, basketball, football, tennis, water sports and playing corn hole. More than anything else, he loved spending time with family and friends. Hunter graduated from Hopewell in 2011 and UNC Charlotte in 2016. He was

living the dream. Tragically, that dream turned into a heartbreaking nightmare when Hunter passed away as a result of an accidental drug overdose. Hunter's legacy is how he lived his life and we know he would not want his death to be in vain. Hunter's family and friends founded a foundation to educate and warn about the dangers of recreational drugs.
