Not a day goes by that I don't think about you
I pray to God to take care of you
I always wonder how it would be
If you could have stayed here with me
I long to see your sweet, beautiful, angelic face
And let you feel the warmth of your mother's embrace
I love you with all my heart and even though we're apart
Know that you'll always be in mommy's heart

Rest in Peace
Mommy's Sweet Angel
