

# Jake Ziegler

7/22/94 - 10/13/12

In October of 2012, Jake Ziegler and his friend, Ray Pierce, went missing on their way to Myrtle Beach. After 15 excruciating days their accident site was discovered. The boys were seniors at Bandy's high.

Their plan was to drive to Myrtle Beach, watch the sunrise, and return home in time to have Ray to work the next morning.

As you know they never made it... On the anniversary we try, as a family to finish their trip for them.
