

**Matthew Scott
Markham
6/12/79-12/1/98**

Matt was a '97 graduate of North Mecklenburg High School who was the MECA 8 Conference swimmer of the year. He was also a member of the UNC-W swim team. But more importantly he had a solid Christian faith and a love for all people, especially the kids he would teach to swim. His infectious smile will be remembered by his many friends and family.
