

## *In God's Hands*

*Sara Ann Brumlow*

**June 25<sup>th</sup> 1993**

**Baby Daughter of Shelia and Chris Brumlow**

**Sister of Eric and Avery Brumlow**

Sara Ann lived only 20 minutes in our arms but forever in our hearts.  
She died as a result of a lethal Neural Tube defect called Anencephaly.  
She is surrounded by loved ones in Heaven as she watches over her loved ones on Earth.

Our involvement with Angels of '97 is just one way we honor her memory.

Thank you so much for joining the Angels of '97 Family in honoring all the children we miss so much.
